

Christmas Holiday Update

Dear Residents/Families/Friends,

With Christmas and New Year's Eve around the corner, we would like to send you and your loved ones the warmest of holiday wishes. We know how difficult it is to celebrate this time of year without the same traditions we have all grown accustomed to, but with the COVID-19 vaccine becoming a reality in the very near future, we are more hopeful than ever that 2021 will bring happier and safer times for everyone.

As always, we are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with wonderful holidays. We are delivering your presents to your loved ones, Christmas crafts and holiday BINGO to get everyone in the holiday spirit!

As you know, we have been preparing to safely allow visitors at our facility and we are so excited for you to see your loved ones. As we previously reported, there are many factors that determine when a facility can open up for visitors, up to and including our county's COVID-19 positivity rate (currently at 19.6%) resident's health status, or if there is a COVID-19 outbreak in the facility.

As a reminder, our cumulative number of cases to date are as follows: 37 residents and 17 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at LAKE CITY SCRANTON HEALTHCARE, I wish you a happy and safe holiday season.

Sincerely,

Michael Wilson
